JULY 2024

## ABOUT THE PROJECT

Co-funded by the European Union, the overall objective of the Transform project is to support educational centers across Europe to become places of inclusivity through the development of new pedagogic materials and innovative approaches to teaching and learning.

This project will support the horizontal area of inclusion and diversity in all fields of education, training, youth and sport.

# COMPETENCY FRAMEWORK

Having been identified by the OCED as something of key importance in order to progress VET centers, the Competency Framework is an innovative project result. It will be the first of its kind and draw on key transformative educational theory.

The Competency Framework is for VET educators to support the inclusion and diversity in all fields of education, and addresses the topic of developing new learning and teaching approaches that support inclusive learning spaces in VET.
