March 2025

## ABOUT THE PROJECT

Co-funded by the European Union, the overall objective of the Transform project is to support educational centers across Europe to become places of inclusivity through the development of new pedagogic materials and innovative approaches to teaching and learning.

This project will support the horizontal area of inclusion and diversity in all fields of education, training, youth and sport.

## STORYTELLING WORKSHOP - WP5

Meath Partnership successfully hosted a vibrant "Stories from Across the Globe" workshop on October 24th, 2024, bringing together 35 participants from diverse backgrounds. Led by Humera Sajid, Community Education and Training Officer, the workshop created a welcoming space for migrants and adult learners to share their experiences of inclusion, integration, and resilience.

The event featured engaging activities including group discussions, storytelling techniques, and a creative art session where participants expressed their stories through writing, drawing, and painting.
